

Help brighten the holidays for youth in need

By donating a gift this season you can make the holidays brighter for youth in need in your community. Friends of Youth serves youth and their families through three core program areas including Homeless Youth Services, Residential Services, and Youth and Family Services.

Any group, organization or company can become a Giving Tree site! Engage your employees, community or customers by becoming a Giving Tree site. We'll provide you with the tools, information and tags you need to help youth this holiday season.
