

Looking for a Few Good Families

Maybe you've seen our foster care message on a King County Metro bus, or heard one of our ads on KUOW, or saw a blue yard sign that piqued your interest in foster care and Friends of Youth.

We hope so! We worked very hard during the month of May, National Foster Care Awareness Month, to get your attention. Our children need more foster homes.

People responded. We heard from people, just like you, who wanted to be respite providers -- licensed caregivers who are able to provide our fulltime foster parents with a break over the

weekend. Others read the [story in the Bellevue Reporter](#) about the growing need for foster parents and reached out to Friends of Youth to learn more.

How about you? Have you been thinking about becoming a foster parent? What is holding you back from taking the next steps?

We are looking for a few good families. Let's talk!

Our Foster Care team is ready to answer any questions and guide you along the process. Reach out to them, at fostercare@friendsofyouth.org.

Thank you. A caring heart and an extra room can change a life.

Back to School Drive

Donate School Supplies

Summer has just started but we are already looking ahead to the start of the next school year.

Help our school kids fill their backpacks with the tools they need to succeed. By donating school supplies you are giving our youth the confidence that comes with sharpened pencils, new notebooks, brand new pink erasers, and the knowledge that they've got the support of people like you behind them.

- [Check out our list of needed supplies here.](#)
- Purchase some supplies at your next trip out to your favorite store.
- Drop off donations at our Kirkland Youth Service Center by Friday, August 17th.

If you prefer to shop online then visit our [Amazon Wish List](#)--they will ship directly to Friends of Youth.

Any questions? Contact us at volunteer@friendsofyouth.org.
